Not an Isolated Case

Many Similar Cases in Barre and Vicinity

This Barre woman's story given here is not an isolated case by any means; week after week, year after year, our neighbors are telling similar good news.

Mrs. N. M. Nelson, 20 Merchant St., Barre, Vt., says: "A severe attack of la grippe left my kidneys weak and instead of getting better, I became worse. The slightest housework tired me, and if I was on my feet for an hour or so, sharp pains across my back made me stop and rest. I paid out over one hundred dollars for doctors' treatment and medicine, but got no relief and finally became discouraged. Doan's Kidney Pills were then brought to my attention and I used them. They removed the trouble and I have never been without a supply on hand since."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
